

Hucknall Flying High Academy

(Child friendly version of our Safeguarding Policy)

What is Safeguarding about?

- All of the adults around you think that your health, safety and welfare are very important.
- In our school, we respect our children and help to protect their rights.
- We do our best to help children make good educational progress.
- We teach children how to recognise risks in different situations and how to protect themselves and stay safe.

How will we try to protect children?

- We try to provide a safe environment for our children to learn in.
- We want to help to ensure that children remain safe, at home as well as at school.
- We think it is important for our children to know where to get help if they are worried or unhappy about something.

Need to talk?

- You can talk to any adult in school if you need to, but Mrs Dempsey's special job is to make sure everyone feels happy and is safe. If you want to talk to her visit her in the Extended Provision room.
